## WELCOME

Welcome to the Hualapai Hills Home Schoolers. (HHHS) is a local, non-profit Christian organization whose purpose is to mutually support and encourage one another as we educate our children. Our group represents home education in our community as a valid alternative to traditional schools. HHHS is a great resource for group activities for our children. Our group will keep you up to date on legal issues and important homeschooling information.

### Membership Benefits:

- Monthly informational meetings.
- Access to clubs and group activities.
- Encouragement and support.
- Monthly updates.
- Access to our curriculum library.
- Voting privileges.
- Monthly field trips.
- Access to our club website.

### Monthly Meetings

HHHS meets on the second Monday of every month from September through May at First Southern Baptist Church, located at 3120 Hualapai Mountain Road. Our homeschool library opens at 6:30 p.m. and the meeting starts at 7:00 p.m. Come early and get acquainted with other homeschooling parents!

### How Do I Join?

Simply contact HHHS and request our club information packet. Carefully read the information in the packet and return the membership form and your dues to our HHHS address. Club dues are \$05.00 per family per year. We will prorate these dues if you are joining our group later in the school year. You can also join HHHS at any of our monthly meetings.

### Please Note:

It is important that you understand that our group is not a school. We are not an "umbrella" school that will provide legal protection, record-keeping or curriculum planning. We are not able to teach your child for you. If you choose to home school your child, you are now responsible to get

the materials that you need to educate your child. Our members will be happy to advise you on where you can find the teaching tools that you will need. HHHS will provide encouragement for you and help you in any way that we can. Our monthly meetings will help to give you fresh ideas on how you can teach your child effectively. Club activities will give your child an opportunity to be with other children and learn in a group setting. HHHS does not discriminate on the basis of race, creed, sex, national origin or political affiliation.
